CHOICE

Favorite Green Boat

1ST PLACE: Silent-Yachts

2ND PLACE: Greenline

3RD PLACE: Axopar 25 Electric

Silent-Yachts are the first ocean-going production solar yachts in the world exclusively powered by the sun's energy. Advantages include noiseless cruising, unlimited range, and zero emissions. silent-yachts.com

Favorite Inflatable

1ST PLACE: Zodiac

2ND PLACE: Highfield

3RD PLACE: AB Inflatables

Zodiac inflatable boats, like the Medline 6.8 (left), provide the ultimate on-the-water experience for any water sport. Benefits include stress-free docking, lightweight towing, reduced drag, and better fuel efficiency. zodiac-nautic.com
